

PARAWAY PASTORAL CO.

Governess/Home Tutor - 2019 Davenport Downs

Our Davenport management team are seeking an experienced governess/home-tutor to help educate their three young boys beginning Term 1, 2019. Alexander and Benjamin are twins who will start Prep through Longreach School of Distance Education, and Henry their youngest will start eKindy.

Ensuring children's well-being, happiness and education is obviously a priority for any family living on a remote station and the role will be focused on supporting this. Alex and Ben have done eKindy in 2018 and have thoroughly enjoyed being in the school room and attending cluster days, loved on-air lessons and have had fun learning most things presented to them.

The ideal candidate will have;

- Previous governess/teaching experience;
- Have a positive attitude to work;
- A strong ability to quickly build a caring and supportive teaching environment and have a natural rapport with younger children
- A genuine belief in good education and enjoys helping children to learn

Davenport Downs, the largest cattle station in QLD, is about 350km south-west of Winton in the Channel Country of south-west Queensland. The property is vast and remote, but it is well equipped with a fully setup social club with wi-fi and Foxtel TV available. Living quarters are very comfortable with own furnished bedroom and shared same-sex bathroom facilities and staff are well catered for as Davenport has an excellent cook and large kitchen facilities.

This is a permanent full-time position and would suit someone who enjoys working in a team environment and yet is equally as happy in their own company.

As part of your employment, you will be required to provide a current Working with Children Check prior to commencement. Given the nature of our business you will need to have a Q Fever vaccination within 6 months of starting.

If you would like to know more about this position, please contact Carlea on (07) 46 573 033. To apply, please email davenport@paraway.com.au with your resume and contact details of relevant referees.
